This Is What We Said

"Reinstate the Racial Discrimination Act"

Regional Meetings 2009:
- 'Government's commitment to restore the RDA was welcomed' TENNANT CREEK, 30 June – 2 July.
- 'We want the RDA reinstated' DARWIN, 4 – 5 August.
- 'Gave overwhelming support for the reinstatement (of the RDA)' ALICE SPRINGS, 14 - 16 July.
- 'There was overwhelming support for the government's decision to reinstate the RDA' KATHERINE, 11-12 August.
- 'There was overwhelming support for the government's decision to reinstate the RDA' NHULUNBUY, 18 -19 August.

Government has ignored calls to reinstate an uncompromised Racial Discrimination Act

No Protection for Aboriginal People from Racist, so-called Special Measures in the NT

The RDA that the Australian Government is planning to reinstate as a part of its new legislation has heavily restricted powers and will not protect Aboriginal people from discriminatory measures

Another broken promise!

We now resort to calling on the Committee for the Elimination of Racial Discrimination (CERD) at the UN to press for the reinstatement of an unrestricted and unconditional Racial Discrimination Act that will provide full protection for Aboriginal people in the Northern Territory
